NOMINATIONS POINT TO REELECTION OF CIVIC GROUP HEADS

Desire For Change in Official Staff Is Refuted Monday

Members of the Niles Chamber of Commerce in spite of previous contentions that a revivafication of the civic group would come about by a change in the official staff, Monday showed by their nominations an overwhelming desire to retain those already in office.

Chamber president, F. V. Jones, apparently an overwhelming favorite for reelection, told the group that he would decline the honor, should the March ballot point to another term at the chamber helm.

After considerable discussion as to the methods of nomination, and of the efficiency of each, the group made their selections by secret cards. Nominations will remain open until Monday, in order that any member not present at the last meeting may have an opportunity to participate in the selection.

Present officers of the Niles civic group are: F. V. Jones, president; E. E. Glassbrook; vice president; A. J. Petsche, secretary; and R. B. Blacow, treasurer. The nominations stacked up as follows: For president, Jones, 11; Glassbrook 3; Duffy 1; Petsche 1; Scott 1; Helm 1. For vice president, Glassbrook 4; Kirk 4; Grau 4; Braun 2; Colville 1; Blacow 1. For treasurer, Blacow 16; Scott 2. For secretary, Petsche 15; Scott 3. For directors, Bonde 7; Duffy 12; Kirk 7; Silva 5; Blacow 2; Scott 3 Ellsworth 1; Grau 3; Braun 1; Colville 1.

Previous to the nominations, F. V. Jones reminded the members of the Parent Teachers Dads meet Tuesday evening at the Niles grammar school, and urged that all the dads attend. Secretary Petsche read two letters sent from the chamber. One was a letter of thanks to the Centerville Lions club for their interest in starting a Lions club in Niles and the other was to the board of supervisors, asking that some sort of sign or signal be placed at the intersection of the state highway and the Nursery Road. Much discussion arose over this question.

Realizing that the Boy Scouts had done a real service to the town in cleaning away the weeds and rubbish on first street Saturday, the civic group voted to accept and pay a bill incurred by W. B. Kirk, Saturday when he treated the scouts to an ice cream feed. Formal thanks were also voted for the Scouts.

In the spirit of the day, F. V. Jones gave a short talk on the undying value of Abraham Lincoln's presence on the pages of history.

Supervisor Ralph V. Richmond read a report of the county institutions for six months beginning in July 1933. Highland hospital, Fairmont hospital, Arroyo Sanitarium,and the Del Valle farm, collectively handled a daily average of 1,413 patients, according to the report.

Farrington Dairy—this morning's milk, nothing put in. nothing taken out.—Jy13tfc.

PAYMENT RECEIVED BY ASSOCIATION 'COT GROWERS

Washinton township grower-members of the California Prune and Apricot Growers Association last week shared in a substantial fourth payment for their 1933 crop.

The payment amounted to from five-eighths of a cent to one cent per pound according to the grade, and also one cent a pound additional for all deliveries which rated Sunsweet quailty. The payment was accompanied by a $5 a ton payment on apricot pits.

Although last week's payment is by no means the last to be made on last year's crop, according to the Sunsweet Standard, the total price per pound to the growers averages between 8 1-2 and 10 cents. Most of the growers members in Southern Alameda county, where the better orchards averaged fancy and extra-fancy fruit have averaged better than nine cents and more payments are to come.

The Standard said: "Inventory of unsold fruit represents substantial additional value for distribution to the membership."

The payment received last week brings prices per pound to members to the following figures: Standard 6 3-4c; choice 7 1-2; extra choice 8 1-4c; fancy 9c; extra-fancy 10 1-2c; extra fancy moorparks 11c.

Contrary to rumors that the apricot marketing pro-rate plans, now under way, call for a limitation of production, authorities last week stated that, no limitation will be necessary since there is no annual surplus in the industry. The small seasonal surplus used in the past to break cereearly in the season, will be carefully controlled under the new plans. The plans are being worked out with the greatest emphasis on the marketing and distribution ends of the industry, it is said.

Parks Sells His Modesto Tribune to Benj. Kimber

Norman H. Parks, publisher of the Township Register, Niles, and Pleasanton Times, Pleasanton, last week sold his Modesto Tribune to Benj. J. Kimber, formerly owner of the Grants Pass, (Oregon) Bulletin.

Mr. Parks reacquired in November the Modesto paper, which he previously sold to Max Daley of Beverly Hills, a year and a half ago.

H. H. Hoyt, who has been managing the Tribune during the past few months, and who formerly worked on the Township Register, has been employed by Mr. Kimber as foreman of the mechanical room.

Marshall Green, Everett Mendenhall and Frank Ferry attended the wrestling matches at the Oakland Auditorium Friday evening.

CANYON BATHERS USHER IN SPRING BLOSSOMS; LAMBS

Spring, the season of lambs, blossoms, and so forth, may not be formally recognized by the sages who predict the weather, but there are signs, many signs.

Foremost among these harbingers is the astounding fact that energetic folk, with no fear of chills and fever, were seen swimming in Niles Canyon Monday.

Another evidence, which cannot be disputed even by the most dour pessimist, is kite-flying. Monday afternoon saw numbers of the paper contraptions fluttering in the sky. Some were already caught in the telephone wires.

Vegetation cannot be fooled, and blossoms are blossoming. Almond trees throughout the township have put forth their pink and white bursts.

Last, but of greatest importance, is the advent of Spring Fever. Ask ank healthy citizen.

CANYON SLIDE AREA ESTABLISHED BY HIGHWAY CREWS

Continued slides in Niles canyon during the past two weeks have made it necessary to establish a slide area, in which motorists are warned to keep a watchful eye out for falling debris.

The slides started immediately after the last heavy rains. Occuring at first as earth slides, in which small size rock fragments fell into the road, the slides, although diminishing in volume, have become more dangerous because of the larger fragments now falling.

It is thought that a grass fire occuring last fall in the canyon narrows removed the supporting vegetation and also fractured the rock in the large ledges. While driving through the canyon, especially in rainy weather, motorists are warned to progress cautiously. The greatest danger lies in cars striking large rocks in the road, rather than danger of being struck by the fragments.

BOY SCOUTS "CLEAN UP" FIRST STREET SATURDAY IN ANNUAL "GOOD TURN"

Weeds, Leaves Cleared Away From Curb Saturday

Pat Murphy's wagon, the vehicle to which Niles owes its cleanliness, was filled to overflowing several times Saturday, when Pat undertook to clear away piles of grass and leaves cleared from the east side of First street by the Niles Boy Scouts.

Swarming from the Veterans' Memorial building, where they had listened to President Roosevelt's exhortation to service, the Niles Scouts invaded First street armed with hoes, rakes and pitchforks. Weeds disappeared and leaves formed neat piles as the "good turn to the town" got under way.

Under the direction of scoutmasters Lawrence Pine and Jack Townsend, the scouts began their labors at the south end of town, and cleared away the debris and grass as far as the flagpole. Spectators say that there was no leaning on rakes, and no idle conversation. The job was finished in short order.

Previous to their efforts on the street, the Niles scouts gathered at the Veteran's Memorial building, under direction of Ray Peterson to hear the President's message. The meeting was called to order before the hour of the radio talk, and Supervisor Ralph V. Richmond presented the Roosevelt award for the good standing and progress of the troop. The award consists of a flag, or streamer. F. V. Jones gave a short talk on the value of scouting.

At the close of the meeting the scouts voted their hearty thanks to Vieux Brothers for the use of the excellent radio over which the message was heard. Thanks were later sent to Pat Murphy for his part in the day's work.

In compliance with the President's request, the scouts are this week gathering clothes and furniture for the needy.

In reward for their efforts Saturday morning, the Niles scouts were treated to quantities of ice cream by W. B. Kirk, somewhat of an ice cream fancier himself, who was acting on behalf of the Niles Chamber of Commerce.

Not to be outdone in largesse, the rotund and genial Dick Carvo supplied the Niles scouts with thirty-six glasses of root beer.

PRO-RATE PLANS TO BE DISCUSSED AT HIGH SCHOOL

With interest growing on the subject as the harvest period of valley crops approaches, the state pro-rate plans and the activities of the American Agricultural Administration will be the subjects for discussion at the Washington Union high school this evening.

Owing to the fact that Monday was a holiday, the meet was postponed until tonight. The speaker tonight is eminently qualified to discuss the subjects chosen. He is A. Wilcox, of the Gianini foundation, of the University of California. He has been active in helping growers to understand the desires of the federal government in the recovery plans.

Wilcox will explain the necessity for co-operation in agriculture, and the aims of the state pro-rate commission. All growers are urged to attend since it is their crops the new plans will effect.

LOCAL PARLORS OF N. S. G. W. PLAN JOINT MEET

In order to simplify the work of the Grand President, and to assist her in her official visits, the Laura Loma Parlor, of Niles, and the Betsy Ross Parlor, of Centerville, of the Native Daughters of the Golden West, will hold a joint meeting at the Niles Odd Fellows' hall on the evening of March 6.

According to members of the parlors, invitations have been sent out to all the grand officers of the organization, and a large attendance is expected. Irma Laird, grand president, will pay her official visit to the two parlors that evening.

Mrs. Matilda Enos and Miss Martha Crane, of the Centerville and Niles parlors respectively,will head the committee for arrangements. They will appoint subcommittees.

EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

IS IT A REASON OR BUT AN EXCUSE?

Without even the formality of a trial or the introduction of evidence to substantiate the charge that corruption and collusion was used in securing government air mail contracts, the President has cancelled—mind you—ALL agreements with airway companies, and announces that army planes, piloted by army aviators, will deliver United States postal business routed by air.

The President exercising so great a power—power astonishing to the average American—is startling enough in itself, but taking such revolutionary action without consultation, debate, and a fair hearing before the courts, is an ominous warning that this nation is rapidly drifting into a dictatorship.

If fraud and thievery, bribery and corruption were in fact used by airway companies in winning coveted contracts, it seems strange that all were tarred with the same stick. Out of many companies carrying United States mail, it seems but natural that some used honorable methods in their transactions with the government. It is not so easy to believe that all were rotten, and common robbers. If a diamond necklace disappeared at a social function, it is not right to brand all the guests as thieves. While humiliating to an honest man, he would submit to search, that his innocence might be established, but if his host refused to let him prove his innocence in this manner, and stubbornly maintained that all his guests were highwaymen and ordered them from his house, it would be pretty bad manners to say the least.

Cancellation of all air mail contracts is an insinuation that all contracts were irregular. No court has said so. The constitution—now apparently set aside as irrelevant and an innocuous document—guarantees every American citizen a trial by jury. If an individual firm or company is accused of crime, that firm and that company is entitled to a fair trial before a court—not before politicians.

Charles Lindbergh indeed expressed the sentiment of Americans who still believe in constitutional government, when he gave out a letter addressed to the President condemning the exercise of so manifestly arbitrary power.

Thoughtful people are wondering if the charge of fraud was not an excuse, rather than a reason, for cancellation of all air mail contracts, that the government might embark in still another private business. Perhaps it is but a part of a well laid plan to extend the federal government into every conceivable activity, and become more annoying in its interference in private affairs, leading one to believe that this policy is the one great tenet of the New Deal.

It is time that telegrams of criticism, rather than fulsome words of flattery, were being wired to Washington.

PASS AROUND THE GOLD BRAID

While suggestions from the Township Register will not be received with good grace by the Niles Chamber of Commerce, we will make one nevertheless. There are many capable men in the Niles organization. They are modest men, but men of ability just the same. The official roster should change once in a decade, at least. Maybe new officers would have new ideas, and Niles is not perishing from too many bright new ideas. A new president for the body wouldn't be a bad move. Let the boys work up from the ranks.

Don't make the job of running the Chamber an hereditary affair. All the brains and presiding ability of the town of Niles is not tied up in one or two men.

Come, gentlemen, take this in the good spirit in which it is given. Let's have some new blood in the Niles Chamber of Commerce. That's the best way to keep out the Lions Club. And, of course, so the writer is told, the Lions Club idea is anathema to all well poised and substantial men up and down Main street.

DEATH TAKES MRS. KATHERINE DUFFY WEDNESDAY, FEB. 7

Paralytic Stroke Fatal to 75 Year Old Niles Woman

Niles and Washington township were grieved last Wednesday evening to hear of the passing of Mrs. Katherine Duffy, 75 year old mother of a number of Niles leading citizens, after a stroke of paralysis suffered a short time ago. Mrs. Duffy passed away at 5:30, February 7.

A native of Ireland, Mrs. Duffy came to the United States in 1888, she was nineteen years old at the time. She came to California to live with her sons following the death of her husband in 1913. She had lived in Niles since that time and had endeared herself to all of her acquaintances. Mrs. Duffy was a devout church goer and supporter of the church. She was active in all church affairs until advancing years slowed her participation.

Striken with paralysis Monday of last week, Mrs. Duffy soon lapsed into a coma from which she rallied only occasionally. Her condition was immediately made known to her sons and daughters, who were all with her when the end came.

Mrs. Duffy is survived by the following: Lester Duffy, Mrs. Marston Dassel, and George Duffy, of Niles and Mrs. Martin of Montgomery Creek. Melvin Duffy, another son, lives in San Francisco.

Funeral services were held on Friday morning at the Corpus Christi uhurch in Niles. The Rev. Father O'Connor officiated. Interment was in the Holy Sepulchre cemetery at Hayward.

DECOTO URCHINS GIVEN WARNING ABOUT GUNS

Small boys with twenty-two rifles will henceforth have to watch their step in the vicinity of Decoto, following the last meeting of the Decoto Chamber of Commerce. It is said that several Decoto residents have been endangered by promiscuous shooting of the Decoto urchins.

After hearing the complaints of Decoto citizens concerning the menace, the Decoto group notified the local authorities. Deputy Sheriff Hugo Radbruch and Constable O. W. Ebright investigated, and issued warning to all would-be marksmen in the township. According to members of the Decoto chamber, complaints have come in to the effect that bullets have whizzed through the walls of one house, narrowly missing the people within. One woman reported that a stray shot almost struck her child, which she was carrying in her arms.

The danger of small calibre rifles in the hands of children was illustrated several weeks ago when Ted Logan, of Alvarado, was wounded by a stray twenty-two bullet while he was working in his field.

Awards Made At Decoto Court, Honor Last Week

The Decoto boy scout troop held a court of honor last week, with Scoutmaster, Walter Johnson, of Irvington, presiding as judge of the court. George Scammon acted as clerk. The following awards were made: Tenderfoot badges to Tom Whipple and John Farrente. Second class badges to Edward Nevis, Norman Luna, Eugene Luna. First class badges to Milton Castro and Melvin Luna.

Alfalfa, Clover Bring Late Crops

To Be Used Where Chinch Bugs Have Riddled the Corn and Barley.

By J. C. Hackleman, Crop Extension Specialist, College of Agriculture, University of Illinois. WNU Service.

Extensive areas in central and north central Illinois where chinch bugs have ruined the corn or barley crops can best be planted to alfalfa or red clover. Planting these legumes not only would put a crop on land that otherwise would be idle and costly, but also would be in line with the national agricultural adjustment program, which is designed to reduce the acreage of grain crops. Illinois farmers already have adjusted their cropping systems to the point where they are growing a million acres more of legumes than they were in 1910-1914, but the acreage can be vastly extended by seeding alfalfa and red clover on land where the corn or barley has been riddled by the chinch bugs, provided the soil is adapted.

It is important that soil conditions in the field be known before either alfalfa or red clover is seeded. The land must be sweet and must have a sufficient amount of phosphorus. Simple tests are available for determining this. The seed bed already has been prepared and by occasional additional cultivations can be kept in excellent condition for seeding. Red clover and alfalfa can be seeded in mid-summer. This will help to solve the problem of crop acreages and will make it materially easier for farmers to put a crop adjustment program into effect for 1934.

Choosing something to replace corn that has been ruined by chinch bugs is doubly difficult because the crop must be one that is immune to the bugs and that can, at the same time, be planted at late date. Sudan grass and millets, which could be seeded at this season of the year, are out of the question because they are highly favored foods of chinch bugs.

About the only cash grain crop available at this date is buckwheat. This will yield from ten to as many as twenty-five bushels to the acre, depending upon soil fertility and seasonal conditions. The best varieties are Japanese and Silver Hull.

Finds Phosphates of U. S. Worth Billions

The $300,000,000 worth of phosphate rock which the phosphate deposits of the United States have yielded to date is a small item compared to the total phosphate resources of this country. Workers of the bureau of chemistry and soils have completed a survey of America's phosphate resources which has been published by the United States Department of Agriculture. They estimate American phosphate resources at 6,200,000,000 long tons, worth approximately $18,000,000,000.

Because the phosphate deposits of the United States form its most valuable natural fertilizer resource, and because phosphatic fertilizers are used more widely and in greater quantities by American farmers than fertilizers containing other plant-food elements, these findings are of interest to farmers and fertilizer manufacturers.

This survey discloses the occurrence, production, and reserves of phosphate rock in the United States and presents detailed information on their chemical composition which indicates the comparative value of all the domestic varieties of phosphate rock that are of commercial importance at the present time.

Dairy Income

The cash income of farmers from sales of milk and milk products in 1932 is estimated at a little less than a billion dolars ($985,099,000). Adding to this the value of the milk, cream, and butter used in households on the farms where produced, gives a gross income from dairy products in 1932 of about one and a quarter billion dollars ($1,260,424,000). With the prices of most farm products declining even faster than the prices of dairy products, the proportion of the total income of farmers derived from milk increased from 19½ per cent in 1929 to 24½ per cent in 1932. If allowance is made for the value of the milk cows and the calves of milk cows sold or slaughtered in 1932, the total income of farmers from dairying was close to $1,400,000,000 or about 27 per cent of the income from all farm products. — United States Bureau of Agricultural Economics.

Age of Freshening

In the examination of Advanced Registry records, Prof. C. W. Turner of the Missouri College of Agriculture has drawn the following conclusion concerning the effect of age at first freshening upon the later production of heifers: "The most efficient milk and fat production (utilization of nutrients) will be obtained by breeding animals to calve them at from 20 to 24 months of age, maximum production at about 30 months of age, and within 5 to 10 per cent of the maximum production at from 23 to 28 months, depending upon the breed."

TO ADD 7 YEARS TO LIFE EXPECTATION

Science Also Promises More Virile Race.

Chicago.—The chemistry of nutrition is building a scientific structure which gives assurance of longer life and a more virile race. This is the theme of a report to the symposium of the agricultural and food division of the American Chemical society by Prof. Henry C. Sherman of the department of chemistry of Columbia university.

The report was presented during the eighty-sixth meeting of the society, designated as the "Century of Progress meeting." More than 3,000 chemists attended the sessions.

Recent researches show men and women are taller than their ancestors. Chemistry, holding the key to the understanding of the nutritional processes in plant and animal life, promises to make humanity more sturdy and longer lived, according to the report.

Expectation of Life.

The expectation of life, Professor Sherman holds, will be extended from the age of seventy to the age of seventy-seven. Man in his chosen tasks will be at the height of his powers at sixty-five instead of fifty-eight years. The age at which it is difficult to get jobs in a new field, now commonly put at forty-five will be fifty-two.

Adults nearing sixty should learn as readily as the young, the food chemist avers, for psychology has determined that the capacity for learning is undiminished at middle age. Age will yield less readily to youth, he adds, and men and women of more advanced years will rule to a greater extent in human affairs.

All this will emerge from an improved internal environment, which, passed on to succeeding generations, will form a bulwark against disease, enlarge the prime of life, and postpone senility, Doctor Sherman asserts.

"While chemistry will not make blonds of brunettes, it will, by providing this superior environment, make men and women more powerful constitutionally, if not larger, and aid in the development of muscular strength through increased participation in sports and right living," Doctor Sherman said. "We should be mindful, nevertheless, that buoyant health is not a monopoly of larger people.

An Improved Environment.

"We are learning what things to feed into the body in order that it may be helped to maintain a more constantly optional chemical environment within, and we have reason to anticipate that such chemical improvement of the internal environment may be favorable to those developments of mind and spirit which are in some way linked with the higher health of the body.

"The dramatic series of discoveries regarding the existence in food and the significance in nutrition of a whole group of substances not particularly related in their chemical natures or nutritional functions, commonly called 'vitamins,' demonstrate impressively the rapidity with which many fundamentally important discoveries have been made in the past few years.

"In our experiments at Columbia university we have families of rats which are thriving in the twenty-seventh generation on uniform diet," Professor Sherman continued.

"Yet, on enriching the already adequate diet in certain of its chemical factors there results an improvement in the general nutritional condition. Growth is more rapid and efficient, the death rate drops, vitality is higher at all ages, average longevity increases 10 per cent, and the prime of life is extended."

The diet on which rats thrive is enriched by increasing the proportion of "protective foods," milk, fruit, vegetables and eggs, Professor Sherman states.

"Death Camas" Plant Takes Heavy Bee Toll

Burley, Idaho.—A plant commonly known as "death camas" kills thousands of honey bees each year, the Minnidoka-Cassis Honey Producers' association was told by Frank Beach, international honey bee raiser.

The flower is one of the earliest each spring, and thrives until late summer. Bees gather honey from them and return to the hives where they die. Other bees take the honey from the dead insects and are killed. The plant is further known to be poisonous to cattle and sheep.

Sow Has 22 Litters

Horatio, Ark.—A red Duroc Jersey sow, which has produced 22 litters of pigs, averaging 7 to a litter, is well on her way to a record, believes J. A. Yazenby, farmer and breeder. The pigs have a potential market value of more than $1,000 at present prices.

Indian Tribes Dwindle

Fort Worth, Texas.—Texas Indians, who once numbered more than 100,000, have dwindled to about 1,000 at present. Peaceful braves of the Alabama and Caushattis tribes live today with their squaws on a reservation in Polk county, Texas.

Western Alfalfa Weevil Spreading

Entomologist Says That All Districts Will Be Reached in Time.

By J. H. Newton, Deputy State Entomologist, Colorado College Experiment Station.—WNU Service.

Occurrence of the alfalfa weevil in all the alfalfa-producing areas of the western states is only a matter of time. First discovered in American alfalfa fields near Salt Lake City in 1904 or 1905, this native insect of Europe has spread since then to portions of seven of the neighboring states.

It was in 1917 that the weevil was first discovered in Colorado near Paonia, in Delta county. Since then it has spread to parts of Gunnison, Montrose, Ouray, Moffat, Routt, Rio Blanco, Garfield and Mesa counties. There is also an isolated infestation at Glenwood Springs, Garfield county. The spread of this insect has been at an average rate of six miles per season.

Careful scouting work has failed to reveal the alfalfa weevil east of the continental divide in Colorado.

Quarantines were never expected to prevent the spread of the weevil that can be expected from flight and other natural means. They are intended to:

1. Prevent promiscuous hauling of hays and straws and thus cut off the most important avenue for carrying the insect into uninfested areas.

2. To meet the quarantines of 22 states, thus assuring them that we are reasonably careful to see that our agricultural products are not carriers of the weevil.

3. To keep outside markets open for all hay grown in uninfested territory.

Personal Effects of Deceased

Unless a will disposes of the personal effects of a deceased person, the executor must take possession of them, either selling them and distributing the cash proceeds among the beneficiaries, or placing a value upon them and distributing them to the beneficiaries who elect to take them in place of cash.

Location of Ouachitas

Ouachita or Washita is a county in the southern part of Arkansas. It is intersected by the Washita river, and is partly bounded on the north by the Little Missouri river. It is also the name of a parish in the northern part of Louisiana, and the name of a post-village of Union parish, Louisiana, on the Washita river.

Pineapples Have Seeds

Pineapple seeds are contained in the flower bracts which appear in the ripe pineapple as sections of the fleshy mass which make up the fruit. Pineapples, however, are very seldom raised from seed except for the production of new varieties, and ten years is often required to bring such plants into bearing.

Altar Piece of Pure Gold

Considered a masterpiece of the German goldsmith's art, an altar piece of pure gold and silver, richly enameled and decorated with precious stones, has been consecrated in St. Mary's the Benedictine abbey at Buckfast, England. It represents the descent of the Holy Ghost.

Thinness of Wire

Gold can be broken down so greatly that a piece the size of a $20 gold piece can be drawn out so fine that it would make a gold wire 50 miles long, and one twenty-thousandth of an inch thick, which means that it would be practically invisible. Copper wire can be drawn so fine that it will be one-third the thickness of a human hair and 38 miles of it can be made out of a single pound of copper.

Mosquito Sticks to Birthplace

Although some species of mosquito fly for considerable distances, most of them spend their whole lives close to their place of birth. Because of this it is quite possible that limited areas may be freed from the pest without the fear of being replaced by migrants from other areas still infested.

Megalithic Monument Found

The discovery of an important megalithic monument, believed to be the Druidical Sun temple, has been reported from Grilly, France. It dates back to 10,000 B. C.

First National-Amador Transfer Nearly Completed

Excluding out of town customers about 80 per cent of the depositors of the Amador Valley Savings Bank have completed the transfer of their accounts to The First National Bank of Pleasanton, in accordance with the recently announced plans whereby 60 per cent of the assets and liabilities of the savings bank were assumed by The First National Bank.

From all indications it will take a week or more to get in touch with remaining depositors and to effect transfers.

The payment of the 60 per cent initial dividend is unusually large in the history of banks, and was made possible only through the aid of The First National Bank. The remaining 40 per cent of the savings bank deposits will be paid as assets of the bank are liquidated.

This liquidation will proceed in an orderly manner without undue sacrifice. It is posible that The First National Bank as it grows will take over more of the liabilities of the savings bank and thereby speed up the payment to Amador depositors.

Amador Dons Defeated by Livermore

The Livermore Cowboys defeated the Amador Dons in the Varsity and B class basketball games played at the Livermore high school Friday evening last Week by large and overwhelming scores.

The B team contest was lost by a score of Livermore 36 and Amador 16.

The Dons failed to click and a number of instances they had opportunities to score in set up shots which they missed. In the beginning of the second half of the game a Livermore shot a basket through the Amador hoop which gave the Dons two extra points.

Mello, center for Amador, was high point man for the Dons, with four; Compagna, f, 3; C Paulo, f, 2; Bernard, g, 2; Shotwell, g, 2; Cintrone, f, 1; and Kamp, g.

The Amador Varsity was defeated by a score of 48 to 22 favoring Livermore.

In the first quarter the Dons were ahead with ten and Livermore had one. During the second quarter Livermore managed to score twenty-one points while the Dons scored but one making a score of Livermore 22 and Amador 11 at half time.

During the second half Dolstra and Abrott went out of the game on four personal fouls which crippled the guarding attack of the Dons. Carey and Sorensen filled the vacancies.

Dutra was high point man with 11. The lineup for the Dons was as follows: H. Kamp, f, 4; Regalia, f, 2; Dolstra, g, 2; Carey, g, 1; Abrott, g, Sorensen, g; and Peters, g.

Black Postage Stamps

A black postage stamp is issued only when a President dies in office as in the case of President Harding

Second Largest Producer of Silver

The United States is the world's second largest producer of silver.

Pleasanton Health Center Releases January Report

Miss Barbara Bradley, health nurse for the Pleasanton township health center had a busy month during January holding interviews, visiting schools and calling on children who have been absent due to slight illnesses according to her monthly report released last week.

The report in detail is as follows:

Interviews Held:	
With individuals	301
With organizations	17
With physicians	21
Letters written	26
Social Histories Taken:	
Eligible—New cases	4
Eligible—Reinvestigations	5
Patients Referred:	
Arroyo clinic	3
Oakland health center	2
Highland hospital	1
County doctor, 12-20 to 1-20-	11
Welfare worker	3
Treatments at Health Center:	
First aid	2
Urinaliysis	2
Persons Using Health Center:	
Total number	99
Home Visits:	
Social investigations	1
Highland follow-up	4
Clinic follow-up	4
Patients Taken to and From:	
Highland hospital	1
Oakland health center	4
CC: Dr. I. O. Church—	
Supervisor Ralph Richmond	
Miss Matilda Harris	
Ernest Schween

Court of Honor Is Held For Pleasanton Scouts

Two members of the Pleasanton boy scout troop were given second class awards and five boys were brought into the troop at a Court of Honor held at the City Hall last Thursday night for the scouts and scouters of the Pleasanton troop.

T. H. Silver, of Pleasanton, presided as judge and was assisted by the troop committeemen Crawford Letham, Mayor A. B. Pickard, and Charles Graham.

The Court of Honor also honored the twenty-fourth anniversary of the founding of scouting in the United States and in commemoration of the occasion all scouts and scouters recommitted themselves into the scouting oath and law by taking part in a ceremony which was broadcast over the radio at eight o'clock, and which was led by Homer Bemiss, scout executive, of the Oakland Area Council. This ceremony was held previous to the Court of Honor.

The two Pleasanton scouts receiving second class awards were Layton Hanifen and Bob Schmidt. The six new scouts taken in were: Dick Stevenson, Donald Haas, Floyd Kelly, Benny Bruce, and Robert Casterson..

V. Bernard Johnson, scoutmaster for the Pleasanton troop, was given an advanced certificate in first aid.

Alvarado Man Loses Seven Fingers Monday

Saia Olivenico employee of the local salt plant suffered the loss of seven fingers while at work Monday morning. He was immediately taken to a local doctor and then to a hospital where he is reported to be doing as well as can be expected.

HUGE PARTY SUNDAY

Mr. and Mrs. M. S. Faria entertained over one hundred guests at their home in Alviso on Sunday afternoon. The guests enjoyed a number of songs and dances presented by a group of young folks of the township.

Mr. and Mrs. Rogers, of Cupertino, visited with Mrs. Rogers' sister, Mrs. Clara Flores on Sunday.

***

Miss Venessa Silva, of Stockton, has been visiting with her mother, Mrs. Joe Silva, for the past week.

***

Mr. and Mrs. Frank Silva and sons visited with Mr. and Mrs. Manuel Maciel, of Niles on Friday.

***

Mrs. Antone Santos entertained Mr. and Mrs. Robert Walker and Mr. and Mrs. Laverne Caldiera, of Newark, on Monday evening.

NEWLYWEDS HONORED AT RECEPTION SATURDAY

Mr. and Mrs. Frank Amaral were honored at a reception on Saturday evening in the I. D. E. S. hall. They returned on Friday from a honeymoon spent in the southern part of the state. Mrs. Amaral is the former Mildred Duarte, of Hayward.

The evening was spent in dancing. Because so many of the recent brides were present at the reception, they and their husbands were honored with a bride's dance. Among those on the floor were: Mr. and Mrs. A. Pavo, the former Agnes Silva; Mr. and Mrs. Melvin Silva, nee Mamie Dutra; Mr. and Mrs. Joseph Lemos, the former Edith Mello; Mr. and Mrs. Seraphine Nia nee Emily Oliveria; Mr. and Mrs. Manuel Pinto, nee Elvira Duarte; Mr. and Mrs. Henry Silva; Mr. and Mrs. Alfred P. Silva, Jr., Mr. and Mrs. Wilbert Hendricks, nee Anna Freitas; and Mr. and Mrs. Frank Amaral.

Miss Dorothy Chrysostomo visited in Irvington on Thursday with Miss Ellen Brown.

Amador B Team Holds Danville To Tie Score

In a close and exciting game the Amador B team held the Danville B team to a 19 to 19 tie in a game played at the Amador gym last Wednesday evening.

Both teams were tied practically throughout the entire game. Few substitutions were made because the game was so close.

The game ended in a tie and an extra period played did not break it. In the extra period the Dons had several chances to score by foul shots which they missed.

Good teamwork was displayed by the little Dons.

Cintrone captured honors for the evening, scoring eleven of the Dons' 19 points.

The lineup was Cintrone, f, 19; Regalia, f, 2; Haas, f, 2; C. Paulo, c, 0; Mello, c, 2; Snotwell, g and Moller, g.

The Amador Varsity was defeated in the same evening by the Danville Varsity by a score of 39 to 18. Although Danville had a large score the Dons showed great improvement in their style of play in this game than in the past. Arnold Abrott played a good game guard. Joseph Peters who turned out for the second time continues to show possibilities of a good player. Peters started as forward and also played as guard, filling both positions satisfactorily.

Why Not?

"A thing of beauty is a joy forever"—still remains the best working definition of the beautiful.

Thousands have Ended their Bowel Worries

by taking this advice!

Can constipation be safely relieved? "Yes!" say medical men. "Yes!" say the many thousands who have followed their advice *and know.*

You are not likely to cure your constipation with salts, pills, tablets, or any of the habit-forming cathartics. But you can correct this condition by gentle regulation with a suitable liquid laxative.

THE LIQUID TEST:

First: select a properly prepared liquid laxative. Second: take the dose you find suited to your system. Third: gradually reduce the dose until bowels are moving of their own accord.

Simple, isn't it? And it works! The right liquid laxative brings thorough bowel action without using force. An approved liquid laxative (one which is most widely used for both adults and children) is Dr. Caldwell's Syrup Pepsin. It is a doctor's prescription, and is perfectly *safe*. Its laxative action is based on senna—a *natural* laxative. The bowels will not become dependent on this form of help, as in the case of mineral drugs.

Hospitals and doctors have always used liquid laxatives. The dose can be measured, and the action controlled. Pills and tablets containing drugs of violent action are hard on the bowels.

If there are children in your household, don't give them any fad form of laxative, but use a healthful, helpful preparation like Syrup Pepsin. Its very taste will tell you it is wholesome, and agreeable to the stomach. Delightful taste, and delightful action; there is no discomfort at the time, or after. Ask your druggist for Dr. Caldwell's Syrup Pepsin, all ready to take.

Former Irvington Man Dies in San Francisco

Word was received in Irvington this week of the death of a former resident, George Albert McCalvy, in Oakland, several days ago.

McCalvy was a native of San Francisco. He was 67 years of age. Death came after a protracted illness. The deceased had lived in Irvington many years ago. He is survived by his wife, Mrs. Antonionette J. McCalvy and by several married children and a number of grandchildren. Funeral was held from the mortuary of Halstead and company, in San Francisco.

Reading room is open before and after services.

If You Are Hard Of Hearing, Read This Item

A bargain bordering on a real service is available to some person who is hard of hearing, if he will call at the Township Register office. Norman H. Parks has offered or sale an Accousticon, that has been in use for less than a year, and is new for all practical purposes.

Mr. Parks is planning the purchase of a new device that is specially adapted to his form of deafness. The accousticon is better adapted to other forms. The instrument for sale cost $85. It will be sold for less than half of that amount. Equipped with a double receiver, and extra powerful, this accousticon will be a boon to someone. Call at the Register office and ask about it.

The orchards, of Washington township, a survey made in 1930 shows, are confined to the higher portions of the valley floor. Although only slightly higher than the surrounding regions, these high spots are free from frost.

4-H Club to Hold Tree Plantng Ceremony Thursday

Thirty-three members of the Pleasanton Girls' and Boys' 4-H clubs attended their regular monthly meeting held at the recreational hall of the Pleasanton Presbyterian church Friday night.

Arrangements were made for a tree planting ceremony to be held at the Pleasanton grammar school at 12:45 today in connection with the Parent-Teacher's Association Founders program.

Members of the boys club will hold a pea growing contest and the girls will make individual nutrition gardens. The seed was donated by Joseph Rose of Pleasanton.

A committee composed of Dorothy Nielsen, Winifred and Phyllis Doucette and Robert Dickson were appointed to act on the By-Laws of the clubs.

Phyllis Doucette presented the picture of the month which was a scene of a farm boy with a torn hat. She gave an interesting talk of the picture to the members.

Richard Stahl led the club singing. A letter of thanks from the Junior Traffic Patrol was received thanking the 4-H girls for cleaning the boys caps recently. The girls in the second Phase club work to put on a demonstration of cleaning spots caused by grease or sugar.

Economy in printing is penny wise and pound foolish.

Many people from Warm Springs attended the vodvil given at the Washington Union high school Wednesday and Thursday evenings last week.

***

Among those who attended the dance at the Garden of Allah Saturday were: Mr. and Mrs. Joe Vargas, Jr., and family, Sarah Escobar, Johnnie Smith, Edna, Alice and Manuel Duarte, Mr. and Mrs. J. Souza and family, Mr. and Mrs. F. Faria and family and Edward Andrade, Mr. and Mrs. Manuel Vargas and Beatrice Vargas.

***

Lester Silva, of Sunol, visited friends in Warm Springs, Sunday.

"Why, son, we haven't had a cold winter since '93."
"Now, Mother, the world is not getting warmer. I'm afraid that our Natural Gas Heating prompts you to say that."

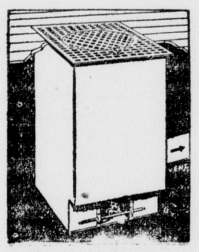
Natural Gas

Naturally THE BETTER FUEL

CALIFORNIA climate presents a heating problem that demands easily controlled heat.

There are no long severe winters. Heat is needed for short periods and it must come quickly. To build up a big fire means wasted fuel. For quick-acting heat that warms floors and walls and circulates into every room corner, climate-wise Californians, rely on Natural Gas—naturally the better fuel.

Gas is piped directly to the furnace or heater and there is no bother to order or handle it. Natural Gas Heating equipment, too, was developed for California homes. Each of the newest types of equipment have known heat-output ratings ranging from the smaller space heaters to the full automatic warm-air furnaces. Investigate and see. Get the facts.



Circulating Heater

Attractive, low in first cost and highly efficient. It heats two to four rooms. Made in many sizes and styles. Extremely economical to operate.

Floor Furnace

Solves the heating problem for homes without a basement. Highly praised by thousands. Saves floor space and is easy and most economical to install and operate.

Here's Quickest, Simplest Way to Stop a Cold

1. Take 2 Bayer Aspirin Tablets.
2. Drink full glass of water. Repeat treatment in 2 hours.
3. If throat is sore, crush and dissolve 3 Bayer Aspirin Tablets in a half glass of water and gargle according to directions in box.

Almost Instant Relief in this Way

The simple method pictured above is the way doctors throughout the world now treat colds.

It is recognized as the QUICKEST, safest, surest way to treat a cold. For it will check an ordinary cold almost as fast as you caught it.

Ask your doctor about this. And when you buy, see that you get the real BAYER Aspirin Tablets. They dissolve almost instantly. And thus work almost instantly when you take them. And for a gargle, Genuine BAYER Aspirin Tablets dissolve so completely they leave no irritating particles. Get a box or 12 tablets or a bottle of 24 or 100 at any drug store.

K.C.'s Lose By One Point To Hayward 20-30 Club

A one point margin is all that the Hayward Twenty-Thirty club could secure over the Centerville Knights of Columbus last week to win the basketball game played at the Washington high school. Final score was twenty-two to twenty-one.

Jess Regli was high point man with twelve tallies. Starting line-up for the Knights was: Maloney and Regli, forwards; Brown, center; Azevedo and Duarte, guards.

Centerville Scouts Do "Good Turn" for Town

After meeting at the Centerville firehouse Saturday morning, where they listened to the President's exhortation to service, the Centerville Boy Scouts went forth on the Main street and proceeded to clean weeds away from sundry corners.

Previous to their activities on the street, the scouts were addressed by Judge Allen G. Norirs, who made the presentation of the Roosevelt award to the troop.

New Archdeacon Will Visit St. James Church

Sunday, February 18, the Rev. Mr. W. R. H. Hodgkin, D. D., new archdeacon, will visit the St. James church at Centerville. He will preach at the 11:00 a. m. service.

As this will be his first service at the Centerville church, it is hoped that as many as possble will be present to hear him.

Centerville K. P.'s To Aid Celebration Plans

Members of the Centerville Lodge Knights of Pythias have entered into a cooperative plan with other Knights of Pythias lodges to celebrate the seventieth anniversary of the founding of the order.

Founded at the close of the Civil war to facilitate the healing of the deep national wounds caused by that conflict, the Knights of Pythias is the only fraternal order ever to be chartered by the Congress of the United States.

Betrothal of Cynthia Tudor To C. J. Attwood Told

The engagement of Miss Cynthia Tudor, daughter of Mr. and Mrs. Julius Tudor, of San Leandro, to Dr. C. J. Attwood, son of the Rev. and Mrs. J W Attwood, of Centerville, was announced recently.

Miss Tudor, formerly attended the University of Iowa. She is now in the registrar's office at Stanford.

Dr. Attwood is a graduate of the Stanford medical school and is now connected with the San Francisco hospital.

The Indians of the Santa Claura Valley were "persuaded" to come to the Missions, according to the padres. The "Persuasions" were squads of soldiers and the unfortunate natives were herded in like cattle.

WASHINGTON SPLITS 2 GAMES WITH FOOTHILLS

Leading their opponents by a score of fourteen to five in the last three minutes of the game Friday night, the Washington A cagers ran afoul of a somewhat unscrupulous official, and were beaten in the final outcome by a tally of fifteen to fourteen.

Playing on the small court at the Foothill school in Berkeley, the Centervile boys had things well in hand up to the closing minutes. Evidently determined to save the day for the Foothill lads, the referee went on a rampage of foul calling. The result showed in the score.

The following saw action for the Cornhuskers: Muniz, Whipple and Andrade at the forward positions; Habenicht and Whitfield at the pivot; Kato and Rathbone, guards.

Avenging the demise of their heavier comrades, the Cornhusker B quintet smothered the Foothill B's under the hopeless tally of forty-one to two. The Foothills sank one lone field goal during the first half and ever after held their peace. The Cornhusker butchers in this slaughter were Sekigahama, Silva, Fudenna and Kato at the forward spots; Witherly and Kitade at center; Dusterberry, Amaral, Reina and Faria at the guard positions.

Tomorow night the Livermore quintets will meet the Centerville melon tossers at the Washington high school gymnasium.

League standing at present: A rating — Emeryvile, Livermore, Foothills, Centerville, Pleasanton. B rating—Centerville, Livermore rating — Emeryville, Livermore, place Pleasanton, Foothills.

FARMERS BEING RELIEVED BY PRODUCTION CREDIT ASSOCIATION

Keeping its average of Federal Farm loans approved to approximately $1000 a day, the Hayward Production Credit Association, covering crop loans in Alameda and Contra Costa counties, at a meeting of the executive committee recently approved new loans totalling $26,300, it was announced today by Secretary Burton D. Willis, whose office is at 568 Castro street, Hayward.

The recent action brought the Hayward office's loan total to $56,300 amounting to more than $1000 daily average since the office was opened. The association is now in its eighth week of operation. An agency created under terms of the Agricultural Adjustment Act, the association carries on its activities throughout Alameda and Contra Costa counties.

The loans approved recently include $15,000 and $8500 for two dairies, three loans aggregating $2000 for poultrymen and two farm crop loans totaling $800.

A $40,000 loan on a Contra Costa county tomato co-operative venture is now pending, as well as other large dairy loans. In addition the local association will receiye the livestock loan business released through the discontinuance of the Regional Agricultural Credit Corporation at Salt Lake City.

New legislation now pending, said Mr. Willis, may liberalize terms for dairy loans and representations now being made in Washington may result in similar action for poultry loans. There has been little difficulty with poultry loans, he said, only two poultry loans having been refused.

IRVINGTON CHURCH

The Rev. Mr. Moore, of the Irvington Community church will begin a series of sermons Sunday, the general theme of which will be "The Life of Christ as Evidence of His Divine Nature". The topic of the sermon for Sunday, February 18, will be, "The Place of Christ in History."

Register for better printing.

OFFICERS SEATED BY NATIVE SONS TUESDAY NIGHT

Elected some time ago, the new officers of the Washington Parlor of the Native Sons of the Golden West were installed at ceremonies held in Hansen's Hall, in Centerville, Tuesday evening.

Installation was by the district deputy, F. B. Leonard, of Hayward, and a team from the Eden parlor. A large number of visiting Native Sons were on hand for the occasion.

An entertainment, consisting of three acts of vaudeville, brought by the Eden parlor members, filled out the evening.

The following officers were elected: President, Tom Silva; first vice president, H. Cockefair; second vice president, E. M. Stevenson; third vice president, Harry Stevenson; marshal, G. I. Norris, recording secretary, Allen G. Norris; financial secertary, M. P. Mathiesen; treasurer, J. D. Norris; inside sentinel, Lester Nunes; outside sentinel, Ed. Silva; trustees, F. T. Dusterbrry, M. D. Silva and H. Cockefair.

LIONS CLUB NAMES COMMITTEE ON FAIR PLANS

First definite steps were taken by the Lions Club to clear the way for the township fair, at the meet Tuesday night.

President M. M. Santos appointed a way and means committee to interview prospective displayers and to make preliminary arrangements. The committee is composed of Dr. G. S. Holman, Allen G. Norris and A. J. Rathbone.

Dr. I. O. Church, county health officers, assisted by Dr. Pennington, gave an illustrated lecture on the progress of medicine.

Committee reports were heard.

Pleasanton P.-T.A. Working Hard On Membership Drive

With but a couple weeks left before the contest closes members of the Pleasanton Parent-Teacher's association are working hard to secure the most members in a membership campaign which is being conducted by all associations in the state

The contest closes at the end of February. The council securing the most new members will be awarded a twenty-five dollar cash prize.

Mrs. William Hall president of the Pleasanton P.-T. A. urges all mothers as well as other women in the community who are interested in the work of the school to attend all future meetings which are held at the grammar school.

The P.-T. A. works for the betterment of the school and is at all times ready to co-operate with the school trustees and the faculty of the school.

Among some of the projects the Pleasanton P.-T. A. has sponsored in the past couple years are as follows:

Maintaining the cafeteria at the Pleasanton grammar school; assisting the health center in its examination of pre-school children; costuming and assisting in operettas; urging parents to help maintain the highest attendance at school; sponsoring the educational trip given every year to the eighth grade; giving an Easter egg hunt to the whole school; giving the graduation party to the eighth grade; sponsoring a Hallowe'en party; making curtains for the cafeteria and assembly hall; purchasing a radio and an electric refrigerator for the grammar school; instigation of the purchase of screens for the kindedrgarten building and donating welfare work.

IRVINGTON CHURCH BENEFIT PROGRAM AT W.U.H.S. FEB. 20

Play, Sketches and Songs To Feature Evening Of Entertainment

Under the direction of, Mrs. Barton L. Webb and Salvador Billeci, members of the dramatic section of the Country Club and the high school dramatics classes, will stage an intricate production next Tuesday night for the benefit of the Irvington Community church building fund, in the auditorium of the Washington Union High school.

Proceeds of the evening will go toward the fund established for the construction of a guild hall at the Irvington church. Plans for the play were first conceived by Mrs. W. A. Sloan.

Slated to be an affair of merit, the program of the evening reads as follows:

Overture by Washington Union High school orchestra under direction of Salvador Billeci.

Greetings by Mrs. W. A. Sloan.

America, sung by the audience under direction of Salvador Belleci, accompanied by the orchestra.

Tableaux, "The Old Spinning Wheel," posed by Mrs. Howard Chadbourne. Music accompaniment by Bernice Weber at the piano. S. Billeci, violin, and Edna King, vocal.

Reading, "Gold Mounted Guns" by Mrs. Barton L. Webb.

Selected violin solos by Salvador Billeci.

Old Fashioned Group — Singing selected numbers. Doris Machado, Edna King, Joe Hernande and Leonard Brown. Organ accompaniment by Mrs. C. E. Anderson.

Reading, "George's Cousin Willie," by Mrs Barton Webb.

Township Men's Quartette—Selected songs. F. Blacow, R. Grace, T. Nordvik and S. Billeci.

One act play, "No Men Wanted," directed by Mrs. Barton L. Webb, with the assistance of Mrs. George Coit. Played by Mrs. F. T. Dusterberry and Mrs. C. E. Anderson as the "Girl Bachelors," Elizabeth and Isabel; and Mrs. Thomas Maloney as the colored maid, Prynnella.

Centerville Personals

Mr. and Mrs. F. T. Dusterberry attended a theater in Oakland Monday afternoon.

***

M. F. George, ill for the past two weeks with a severe case of grippe, is up and about again.

***

Mr. and Mrs. Fred Dusterberry entertained at a family dinner Sunday evening.

***

Mrs. George Coit is recovering from a slight attack of influenza this week.

***

Publisher

Published Every Thursday

Entered as second class matter at the post office at Niles, California, under Act of Congress March 3, 1879.

Determined a Newspaper of General circulation by decree of the Superior Court (Department 6), of Alameda County, California.

Subscription price $2.00 per year.

Pleasanton Library Releases Report For January

A total attendance of 1285 was had at the Pleasanton branch of the Alameda county free library during the month of January according to the monthly report released by Mrs. Abby L. Walker, librarian.

Of the total attendance fourteen were visitors. Fifteen new applications were given out by Mrs. Walker.

A total of 1107 books were let out during the past month. Seven hundred eighty-seven were fiction, two hundred twenty-five juvenile and one hundred twelve magazines.

The leading classics on demand were philosophy, sociology, useful arts, travel and history.

Towship Register prints all standard and special office forms.

THIRTY DADS ENJOY P.-T.A. FOUNDING CELEBRATION

Thirty dads left their easy chairs and firesides last night and made the Parent-Teachers Association dads' night a great success The meet was held at the Niles Grammar school.

Mrs. C. M Myrick, president of the local chapter, reviewed the accomplishments of the Niles group during the past year for the dads.

Cards took up the major part of the evening. E. Dixon Bristow and Ben Murphy succeeded in capturing the prizes.

Following the cards, the group adjourned to the cafeteria, where twenty-two candles were lit by the members, in celebration of the founding of the Parent-Teachers' Association. Refreshments were served.

FARE EVADERS TO BE SENTENCED AT NILES MARCH 2

Sentence will be pronounced March 2, on C. P. Davidson and C. S. McClellan, Oakland youths, who recently pled guilty to a charge of attempting to evade payment of fare on a Southern Pacific passenger train.

Boarding the train in Oakland, the two men refused to pay conductor I. H. Robinson, and also refused to leave the train. Robinson phoned ahead to Niles. When the train arrived at the station, Davidson and McClellan found police waiting for them. They were lodged in the town jail overnight and hailed before Judge J. A. Silva the next day. B th admitted their guilt.

SHORT VACATION

Antone Perry and Guido Tuana, Niles boys, returned Sunday from the Civilian Conservation Camp at Italian Bar for a few days rest at home. They returned with Al Lanfri and Alfred King, both of Niles, who had driven up to get them. They returned to their camp yesterday. Ray Crane, who returned with them, will remain at home for several more days.

DUCK DINNER

Aldina Perry, of Sacramento, was guest of honor at a delicious duck dinner given Sunday afternoon by Mrs. Mary L. King, of Niles. Those present were: Mrs. Mae Harmon and children, Jean and Alfred, of Oakland; Margaret Vestal and baby Audrey, Jack Cahill and Antone Vargas. The evening was spent at cards.

Mr. and Mrs. F. V. Jones were hosts to a number of friends at dinner and bridge Saturday evening.

Mrs. Rosalie Donovan, accomspent Tuesday afternoon shopping panied by Miss Lurena Chenery, in San Jose.

Fredrick Fletcher, of Palo Alto, spent the week-end with Mrs. Margaret McClure.

Guiseppi Minghi, of Geyserville, spent Sunday with Mr. and Mrs. F. Martinelli.

Mr. and Mrs. R. Mendenhell were Oakland visitors one day last week.

Lieutenant and Mrs. Charles Overacker will arrive in Niles this week, to spend a month's vacation with Mrs. C. Overacker. Lieutenant Overacker, who has been stationed at an army airbase in the Canal Zone, may be transferred to a west coast field in the near future.

BEAUTIFIES PARK

Through the courtesy of the California Nursery company, more than one thousand bulbs were planted last week in the Niles Park, north of the subway. A crew of men was kept busy nearly all week, setting out the bulbs. Several varieties were put in, and will add greatly to the color of the stretch.

William Wilbur, formerly of Alameda, is the new butcher at the Niles MacMarr store. He took over the work Monday. According to Gladfred Viery, MacMarr manager, Wilbur is an experienced man in the meat business.

Dan Marble was a business visitor in Oakland Monday morning.

Mrs. Robert Fisher returned to her home on Cherry Lane last week after a stay of several months with her son in Pennsylvania.

Alfred Moore attended a theatre in San Jose Sunday evening.

Mr. and Mrs. H. V. Fournier, accompanied by Mr. and Mrs. L. L. Fournier, of Oakland, drove to Santa Rosa Sunday, where they were guests of Mr. and Mrs. S. L. Smith. Mrs. Smith is the former Miss Lorene Phillips, of Niles.

Mr. and Mrs. Bert Silveria were hosts to a number of friends at their home on Morrison avenue Sunday evening. Cards were played and refreshments served.

Mr. and Mrs. Clarence Crane were dinner guests of Mr. and Mrs. W. B. Sylvia at Pleasanton, Sunday afternoon.

Mr. and Mrs. J. E. Thane and Mrs. J. R. Whipple drove to San Francisco Friday to see Mr. and Mrs. Sam Shaw and Jean Van Oppen off for New York. The Shaws and Van Oppen will embark for France from New York.

Fulton Cesari, who returned home from a Civilian Conservation Corp camp a short wnile ago, is now employed at the California Nursery.

Mrs. Peter Kallas, of Pittsburg and Mrs. Paul Knudson, of Pleasanton, visited in Niles several days last week.

FIRE HYDRANTS GET PRACTICAL TEST FRIDAY NIGHT

Home owners north of Niles may rest easily after an exhaustive test made Friday night of all hydrants in that area. Taking out the heavy engine for the regular drill, the smoke eaters hooked up to all the north hydrants in rotation and gave each a thorough test. High pressure gave ample evidence of clear lines.

Tonigat several members of the Niles department will attend the meeting of the Alameda County Fireman's Association to be held in Castro Valley. The Niles members will take several new members of the Niles Department, who will be admitted to the association at tonight's meet. According to firemen, the gathering is slated to be an interesting one. The Centerville department band, under the direction of Tony Cogine will furnish the music.

CRAWFORD-GABLE COMBINATION IN "DANCING LADY"

The sensational musical spectacle "Flying Down to Rio", featuring the beautiful Dolores Del Rio, with Gene Raymond, Ginger Rogers and the gorgeous Radio girls, will continue tonight, tomorrow and Saturday nights at the Hayward Theatre. Slim Summerville and Andy Devine round out the bill in "Horseplay."

"Penthouse," a story of modern New York, will be the feature Sunday and Monday nights. Warner Baxter and Myrna Loy are the principals. On the same bill is George Bancroft, who returns to the screen in "Blood Money."

That master of character portrayal, Paul Muni, stars in "The World Changes" on Tuesday and Wednesday nights. The bad boy of Mexico, Lee Tracy, adds to the program in "Advice to the Lovelorn."

Ravishing Joan Crawford is the star of the record-breaking story, "Dancing Lady" slated for three nights beginning Thursday, February 22. Clark Gable and Francot Tone play with her.

George Brent and the lithe Margaret Lindsey are on the program in "From Headquarters". The bill is spiced up with Walt Disnay's cartoon: "Father Noah's Ark." There will be a continuous performance on Thursday, Washington's birthday.

Irvington Register

By ANNA BETTENCOURT

IN VODVIL

Many Irvington people attended the vodvil at the high school Wednesday and Thursday evenings. The students who participated in the vodvil from Irvington were as follows: Abbie Harden, Irene Williams, Carrie Silveria, Evelyn Bond, Marcia Stinson, Edward Rose, Lyle Fischer, George Jorgenson, Milton Durham, Le Roy Raymond and Bill Sinclair.

Mrs. Soares and daughter, Cecila, visited in Oakland Saturday.

***

Joseph Nunes is now in Santa Barbara where he is employed.

***

Mr. and Mrs. Frank A. Silva and Annie Bettencourt visited in Niles Sunday with Mr. and Mrs. Nagli.

***

Many Irvington people attended the dance at the Newark pavilion Sunday night.

***

Mrs. Joe Lemas and daughters, of Santa Clara, visited at Irvington on Sunday with her mother, Mrs. Isabelle Dutra.

***

Al Mitchell, of San Leandro, visited in Irvington on Sunday.

***

Mrs. Amaral and daughter, Adeline and Dorothy and son Joe, visited with relatives in Niles recently.

***

Many Irvington people attended the dance at the Garden of Allah for the benefit of Al Muniz, who broke his leg while playing baseball last June.

VALENTINE PARTY

Miss Gertrude Mozzetti entertained several of her little friends Saturday afternoon with a Valentine party. Those who attended are as follows: Eleanor George, Mabel and Dorothy Enos, Gertrude Mozzetti, Mary Ann and Flemena Silva, Lorraine Peterson, Albert and Walter George, Lawrence Vargas, Ben and Arnold Mozzetti.

OPTICALS TRIUMPH

The Progressive Optical System girls went out with all their strength Sunday and defeated the Red and White Stores by a score of 41 to 8. Irene Muniz, Tillie Silva, Adeline Souza and Irma Dutra connected with home runs. There was a large crowd to witness the ball game.

Miss Dorothy Chrysostomo, of Alvarado, spent last Thursday evening with Ellen Brown.

***

Junior Silva is recovering from a sudden illness.

Lent Began Yesterday; Fasting Days Started

Township churches held the first services for the Lenten season yesterday morning—Ash Wednesday.

Beginning on Valentine's Day this year, lent includes a number of the Spring holidays. An early Easter will conclude the fasting period.

Madri Gras throughout the world were thronged, and lesser celebrations took place in Washington on Fat Tuesday.

Sixty-Three Awards At Scout Court of Honor

George Coit, of Centerville, presided over the district court of honor last Thursday night at the Niles Grammar school. The scouts took their recommittment to oath and law. It was the largest court of honor for the twenty-fourth anniversary, according to John A. Deadrich. Scoutmaster Pine was speaker for the evening. Sixty-three awards were made to the Niles scouts. Awards will be announced later.

Johnson's All Stars Defeat Amador Varsity

Johnson's All-Stars defeated the Amador Varsity in a game played at the Amador gym last Wednesday evening by a score of 51 to 18.

The first quarter the Johnson's allowed the Varsity to score six points against their seven. The remaining three-quarters of the game the Johnson's scored freely with Silva and Azevedo scoring the most for the winners.

Following this game the Amador B team defeated the Meadowlark Dairy by a score of 32 to 23. The both teams battled evenly, first one team leading, then the other during the first quarter. The score during the first part of the fourth quarter was a tie but with three minutes left to play the little Dons scored five field goals giving themselves a ten point lead over their opponents.

The games scheduled for the Johnson's All-Stars during the next couple weeks are as follows:

Next Monday evening the Johnson's All-Stars will play the Oakland P. G. & E. team. This team are championship winners of the class A of the Oakland Industrial league.

Wednesday evening, February 14, Johnson's All-Stars will play the Hazel Atlas Glass team, a team of class D of the Oakland Industrial league.

Monday, February 19, the team will play the San Francisco Chinese Y. M. C. A. There may be a possible change on this date.

Wednesday, February 21, Johnson's All-Stars will play the Montgomery Ward team. This group will give the boys some stiff competition as they are runner-up in the class AA of the Oakland Industrial league. All games mentioned above will be played at the Amador high school gym.

SUNOL -- DEPARTMENT --

WOMAN HURT WHEN CAR OVERTURNS NEAR SUNOL

Last Wednesday, while coming out of Livermore, on their way to Sunol, in a car, Mrs. Schuster and her dog "Bozo," tried to dodge a boy on his bicycle, who rode across the highway directly in front of them.

The car skidded in the mud on the side of the road and ran into a telephone pole. Mrs. Schuster was taken to an Oakland hospital by her husband, who was following her in a truck. She suffered a broken rib and badly bruised leg. The car was demolished.

E. Smith in Sunol, whom Mrs. Schuster was coming to visit, is now taking care of "Bozo", while Mrs. Schuster is recovering from the accident.

Mrs. Bailey and Mrs. Court. right, of Oakland, were visitors in Sunol on Saturday.

SCOUTS MEET

The Sunol Boy Scouts met at the Sunol grammar school Saturday morning and listened to President Roosevelt's address to the Boy Scouts over the radio. After the radio program, the scouts spent two hours cleaning up the grammar school grounds. This was the last of the daily good deeds during scout week.

Mrs. Cardoza, of Oakland, visited with the Jaspars Sunday afternoon. The Jaspars took her back to Oakland in the evening.

***

The Sunol grammar school closed Monday, in honor of Lincoln's birthday.

***

Dan Laughlin arrived in Sunol Monday, after an extended vacation in the eastern states.

***

Mary Hughes, of San Francisco, and Grace Rankin, of Berkeley, visited in Sunol over the week-end.

***

Mr. and Mrs. Jaspar spent several days last week in Sonora, visiting friends.

***

C. H. West recently left for Chicago, on a business trip for several weeks.

***

The Sunol Chamber of Commerce held their regular dinner Monday night. Mrs. A. C. Day and Mrs. George Johnson were hostesses.

***

Mrs. F. Crespi spent a few days in San Francisco last week, where she visited her daughter, Mrs. L. Pheiffer.

***

The Sunol Parent-Teacher's Association will hold their regular meeting on Friday this week, instead of Tuesday.

***

A large number of people from Sunol attended the Parish card party in Pleasanton Tuesday evening.

***

James Holland, and son, of Sacramento, visited Earl Stewart on Sunday.

***

The Sunol county library branch received an allotment of twenty-three new books, including fiction, juvenile, and classics.

***

George Cottrell, of Modesto, is visiting his brother, William, this week.

***

Miss Barmby, county librarian, and staff, of Oakland, visited the Sunol branch and school library last week.

***

Mr. and Mrs. Elwood Johnson, of Hayward, spent Sunday visiting Mr. and Mrs. A. C. Day.

***

Mrs. West, accompanied by Mrs. Carr and Robert and Donald Lamons, motored to Carmel on Monday.

***

Mrs. T. Ziegenfuss and Mrs. Alan Henry, of Pleasanton, visited at the home of Miss Mollie Buttner on Sunday.

***

Mrs. Lorraine Proudfit and Florence Soper, of San Luis Obispo, are visiting with Mrs. J. H. Leal this week.

***

Robert Dresdier and family, of Oakland, visited Mr. and Mrs. Tony King on Sunday.

***

The Wieking family, of Oakland, spent the week-end at their home in Sunol.

***

A. Jaspar's father, of Sonora, is spending a few days in Sunol, visiting the Jaspars.

***

Twenty-three Boy Scouts, scouters, and visitors, attended the church services in Pleasanton on Sunday.

First class workmanship and prompt delivery guarateed.

A Service Willingly Given

Think on the value of your local newspaper

The dissemination of news by word of mouth is slow and inaccurate. Historical accounts have given us innumerable instances where the knowledge of a few vital facts may have greatly altered the trend of political and social events. One great, fearless, newspaper could have prevented the world war.

Means of communication, in keeping pace with the increased bustle of modern life, have become one of the most vital factors in business, but business is only one of the things served. Modern advertising and the diffusion of news have done away with the pastoral fringe. The city dweller is no better informed than his country cousin. In times of danger, an hundred Paul Reveres, no matter how picturesque and energetic, could neither warn nor advise as effectively as a single well read newspaper.

Rural newspapers play a part in community life fully as vital as that played by the rural courts, or by the corner grocery. The local newspaper's purpose is to carry local news, news that would otherwise be lost. Community organizations, business houses, merchants, and industries need the rural press. IT IS THE ONLY MEDIUM THROUGH WHICH THEY ARE HEARD. It is their messenger, where none other would serve.

In addition to its service within the community, the rural newspaper is the unifying link with which districts are united. A keen observer will have noticed the "clippings" from the local papers in the large metropolitan dailies. The home paper is the "correspondent" for the community.

Support your home paper. It serves a particular end, and its service cannot be duplicated.

The Newark Register

By Miss Patricia Barton

HOLIDAY EXERCISES

Appropriate exercises commemorating the birth of Abraham Lincoln were held in the auditorium of the Newark school Monday afternoon. A California law provides that public schools remain open on that day and that appropriate exercises be held. School trustees, however are permitted to close schools during the day when they see fit to do so.

SCOUTS MEET

Mrs. Emma Collins Home From Hospital Saturday

Mrs. Emma Collins has returned from the East Bay hospital, where she was taken after having been run down by a hit-runner the first of last week. It will be a number of weeks before Mrs. Collins will be able to use the leg broken in the accident, but otherwise she is recovering rapidly. She was brought to her home in the Chapel of Palms ambulance.

Portuguese Lodge Gives Entertainment Sunday

The Echoes of Portugal Lodge gave a dance in the Newark pavilion Sunday night, that drew a very large crowd.

There were three door prizes awarded, and several groups of masqueraders entertained those who attended with Portuguese songs and dances. The Joy Boys' orchestra furnished the music.

Lenten Services To Be Held On Friday Nights

Services for Ash Wednesday were held in St. Edward's church on Wednesday morning at 7 a. m.

The Ashes were distributed before the mass.

Lenten Devotions will begin on Friday night at 8 o'clock and will be held on every Friday at the same time until Easter.

Presbyterian Puppet Play Slated For Friday Night

A puppet play will be given in the Presbyterian church parlors by the Christian Endeavor group.

Mrs. Lesda Brown and Lois Blacow in charge, on Friday evening at 7:30. Everybody is welcome, admission free. There will be a small charge for refreshments.

FARM HOME MEET

Members of the Farm Home Department met at the home of the President, Mrs. Beatrice Costa, of Newark last Thursday afternoon. Subject of the meet was Child Development, Mrs. Holman, home demonstration agent was present and addressed the group.

The Improvement club met at Mrs. J. Pope's Tuesday.

Funeral For Newark Man Held Saturday

Funeral services for William Johnson, Newark's sole colored resident, were held in the Pratt Undertaking room Saturday aftrnoon, and the remains were laid to rest in the Lone Tree cemetery back of Hayward. Reverend Mathias, pastor of the Newark Presbyterian church, conducted the services. The funeral was delayed several days in an effort to learn the whereabouts of a sister of the deceased.

GAMES SCHEDULED

The J. and F. ball club will start playing ball March fourth. They will play the winners of the Winter League in a three game series. Joe Blacow, of the Irvington Reds has also asked for a three game series.

Newark Personals

County Organizer Beasley of the Boy Scouts met with a number of boys in the Newark school auditorium last Thursday evening and re-organized the Newark troop. It is possible that James Collins will be the new scoutmaster for the troop.

* * *

Henry Williams, who is confined in Highland hospital as a result of an operation for hernia, is reported to be recovering slowly.

* * *

Engineer William E. Dutra will begin soon the subdividing of a tract of the Shinn ranch adjoining Niles. Dutra is rapidly gaining prestige as a civil engineer.

* * *

Mr. and Mrs. Yockey and family visited with Mrs. Yockey's mother, Mrs. C. Cogswell, of Newark, Saturday and Sunday.

* * *

Miss Barbara Laugenslager and Miss Jennie and Lillian Hoffman attended a dance in San Leandro, Saturday night.

* * *

Mr. and Mrs. de Knoop, Mrs. Williams and children, Mrs. Flaherty, were visitors of Mr. Williams at the Highland hospital, Sunday.

* * *

The Ladies' Missionary Society met at the home of the Misses Mary and Florabell Brown on Tuesday evening.

* * *

Fire Chief J. E. Pashote will attend the meeting of the Alameda County Firemen Association at Castro Valley tonight.

STOP SIGNS TO BE ERECTED AT PLEASANTON STREET

Reflector stop signs to be erected at the intersections of Neal street and Railroad avenue, first, Second and Third streets of Pleasanton were ordered by the City councilmen at a city council meeting held at the City Hall Monday evening, according to Ernest W. Schween, city clerk.

An ordinance passed recently making Neal street a boulevard has made it necessary to erect these signs. When the signs are erected motorists entering Neal street from the streets mentioned above must come to a full stop.

FOUNDER'S DAY BEING HELD IN PLEASANTON

Members of Parent-Teacher's Associations in the county will gather at the Founder's Day ceremonies to be held at the Pleasanton grammar school today under the direction of the Pleasanton Parent-Teacher's Association.

According to Mrs. William Hall, chairman and president of the Pleasanton association, the session will start at ten o'clock and last until late in the afternoon.

The occasion is honoring Mrs. Phoebe Hearst, who was one of the founders of the National Parent-Teacher's movement. She lived at the Castlewood country club which was formerly owned by her.

EAST TEAM EKES OUT 10-8 WIN OVER WEST

With three men on bases and one out in the ninth inning, the West team hitters in the big intersectional game Sunday afternoon, were unable to connect for hits. The lack cost them the contest. Final score was East, ten; West eight.

With the tally zigzagging throughout the entire nine frames, the game was never on the ice for either team Breaks and heads-up baseball turned the tide in favor of the East. One of the major breaks which the East boys promptly turned in their favor was fumble-itus in the West out field. Three flies were dropped with men on base. The men scored. Handling the ball in snappy fashion, the East infield made three double plays.

Bellini and Reno Quarteroli, pitchers for the East, allowed sixteen hits. Bellini, was responsible for only three of them. He took over the mound in the sixth inning.

Jim Cull, West hurler, allowed eleven hits and struck out nine batters. His work deserved a better outcome.

According to members of the West team, over-confidence was one of their major troubles.

Ted Dundas, for the West led the day's hitting with three out of four. Fred Andrade and Clarence Pine did some good work at the bat.

According to members of the two teams, another game will be played soon. Plans for a band, and a gala day, are being made for the next occasion.

Sunday the regular Niles Chamber of Commerce team will play San Leandro at the Niles diamond. The Niles players are confident of a victory.

FILE YOUR 1933 INCOME TAX RETURN HERE

The following announcement was released this week by Internal Revenue Collector John V. Lewis:

"For the convenience of those who are required by law to file federal income tax returns, Deputy Collector Leo Garfinkle, of the Internal Revenue Service will be at the Niles Justice Court on Wednesday, February 21, from 9:00 a. m. to 4:30 p. m., to assist taxpayers in preparing their returns. No charge will be made for this service. The matter of filing your income tax return should be given immediate attention in order to avoid penalty and interest."

The deputy collector will be in Centerville, at the Bank of America on Friday, February 23, from nine to four, to assist taxpayers of the Centerville district, Lewis stated.

Mr. and Mrs. Manuel Swartz, of Niles, were Oakland visitors Sunday.

A business meeting of the Alameda county council will be held at 10:30 in the morning. Lunch will be served at the cafeteria at noon.

A tree planting ceremony will be conducted by the Pleasanton 4-H club girls at twelve forty-five. In the afternoon an entertaining program has been arranged which will be appropriate for the occasion.

Everyone is cordially invited to attend the all day session.

WOODCRAFT CIRCLES' VALENTINE FETES HELD YESTERDAY

Both the Hazel Circle, 598, and the Junior Circle, 189, of the Neighbors of Woodcraft enjoyed their annual Valentine parties yesterday.

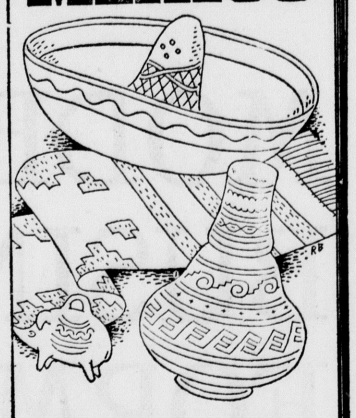
The Hazel Circle affair was held last night at the Odd Fellows' hall. Decorations followed a Valentine idea. Games were played and refreshments served. The committee for arrangements was: Mrs. Theresa Oliver, Mrs. Carrie Martin, and Mrs. Gladys Crane.

In the afternoon, previous to the senior party, the Junior Circle enjoyed a Valentine fete and an initiation. Games and refreshments filled out the affair.

Those children who were initiated into the organization yesterday were: Vernie Ray, Alfred Ray, Betty Rose, Francis Rose, Dorothy Rose, Virginia Rego, Lorraine Peterson, and Carl Wood.

Mr. and Mrs. R. Peterson and Miss Adelaide Martin, in the company of several friends, attended the Walkathon, in Oakland, Saturday night.

I'VE BEEN TO MEXICO



What an average tourist saw and did in a three weeks' trip
